We are pleased to welcome our eighth school year at Our Lady of Czestochowa Polish Language School. Our school welcomes new faces! We have classes for all ages, ranging from kindergarten to adult groups. All students are divided into classes based on their knowledge of the Polish language upon entering the school. From September till May students meet every Saturday from 9 AM until 1 PM in the classrooms located on the lower level of the Visitor Center at Our Lady of Czestochowa, where we have constant support from the Pauline Fathers.

Children learn to read, write, and speak Polish, along with lessons in religion, Polish history and culture. Students share their talents at many events and church holidays with traditional songs, dances and other activities. Graduates are always welcome to help in our school. These activities are great hours of community service work that can count towards scholarships.

Our children and parents will be volunteering their time during the Polish American Festival starting Labor Day weekend and continuing the following weekend. You will be able to meet us in the Polish Village area and find out more about our school.

It's almost that time of year again - school time! We urge every child and young adult of Polish descent to "polish up" their Polish language skills, as well as knowledge of the customs, history and geography of Poland. There are at least four Polish Schools in the Philadelphia area to accommodate all with a desire to learn. Parents, it is your responsibility to remember and pass on your Polish heritage. Be proud and share this gift with your children! You have a lifetime to work, but children are only young once and they require your attention right now.

St. Adalbert's Polish Language School will hold registration for the new school year on Saturday, September 8th at 9:00 a.m. in the Martyred Sisters House located at Edgemont Street and Allegheny Avenue. We hold classes every Saturday from September through May between 9:00 a.m. and 1:00 p.m. We eagerly await the return of our students from last year and welcome all new students with open arms. Our plans include establishing two kindergarten classes, one for ages 3-4 and one for ages 5-6. In addition, we have high hopes to continue and expand our high school student class. We encourage students who have attended our school and are now in high school to return and further their Polish education. You can contact me at **(610) 368-1604**.
