Help Poland's Flood Victims

The Polish American Congress Charitable Foundation (PACCF) is leading a drive to raise funds for the flood victims who have been stricken by the worst flooding to hit Poland since the late 19th century. Although southern Poland was the first area to experience severe flooding, the rivers have carried flood waters much further north. The Vistula River burst its banks in central Poland with effects as far as Warsaw. Tens of thousands of people have been affected thus far and the numbers are still growing.

A special account for relief funds has been opened and no amount is too small. All monies collected will be used to directly help lift the burden from the affected individuals and families and for the extensive repair and restoration that is needed.

The PACCF asks for your support. You can make your 100% tax deductible check payable to "PAC Charitable Foundation" and mail it to PACCF, 5711 N. Milwaukee Avenue, Chicago, IL 60646, Attn: Flood Relief for Poland.

If you have any questions, call 773-763-9944 or e-mail paccf@paccf.org.
