## Stephen Skorczynski, President Associated Polish Home

9150 Academy Road, Northeast Philadelphia

It has been a great year at the Polish Home. With a wonderfully cooperative and hard-working board of directors, we managed to accomplish many of the goals that were set for our organization this year. We continued to make improvements both inside our building, with the installation of new stage curtains and the refinishing of our ballroom floor, and outside in our picnic grove with the addition of new landscaping features in our garden area. We also initiated a multi-year project to resurface our driveway and parking lot. Much needed repairs and improvements were made throughout the year and will continue to be made as we move forward to 2007.

Our member organizations were active all year with well-attended concerts, plays and other performances put on by the Marcella Kochanska Sembrich Chorus, the Adam Mickiewicz Polish Language School, the Adam Mularczyk Theatre Company and the Polish Intercollegiate Club (PKM) of Philadelphia. The Polski Uniwersytet Ludowy (Polish People's University) continued to host their very popular and informative lecture series as well.

Responding to the growing demand for more ballroom dances at the Polish Home, we expanded our normal Wednesday night and monthly Sunday dance schedule to include a monthly Friday night dance which has turned out to be a huge success thus far. For those people looking for something different than ballroom or Polka dancing, we continue to have Monday night County-western dancing. Most recently, Salsa dancing has returned to the Polish Home.

There is something for everybody at the Associated Polish Home. If you're looking for entertainment, we feature a variety of social dances, holiday parties and an annual New Year's celebration. If you want to explore your Polish heritage you can sign up for Polish language classes for adults or children. You can also satisfy your need to be on the stage as a singer, an actor or a Polish folk dancer. Call us to find out more at 624-9954. We also have hall rentals or catering services available for any occasion.

It has been a most productive year and we are looking forward to even more progress in 2007. We hope to see you at Polish Home.

Do Zobaczenia.
